Law and Order vs. Revolution.

The occurrences at New Orleans, as late as received, furnish occasion for reflection uponthe character of our institutions, and their adaptability to the circumstances and the conpopulation and in wealth, like the United States. If there is good reason for the action taken by the people of New Orleans now, and for the similar proceeding in San Francisco not many months ago, if these proceedings can be defended on the plea of necessity, in order to prevent crime, and to protect society, then we say frankly and in all sin-14 cerity, our system of Government is a failure, and must sooner or later give place to a stronger and more concentrated form of administering the laws, and maintaining public

When society becomes so corrupt, and Average of the Thermometer and amount orime so far goes unpunished that good men, the friends of order and of public virtue, are obliged to depose the public authorities and to usurp power for self-protection, the day of Revolution has come, and the government which for more than three quarters of a century has been our pride, and which for a large proportion of that period has challenged the admiration of the world, has ceased to perform its functions, and no longer deserves the confidence which has been re-

Prof. WOOD'S HAIR RESTORATIVE will do all this, see circular and the following ANN ARROR, November 5, 1856 .- Prof. O. WOOD-DEAR SIR :- I have heard much said of the wonderful effects of your HAIR RESTO-RATIVE, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies, until I met you in Lawrence county some months since, when you good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidently recom- ed in the Clerk's Office of the County Court of mend its use by all who would have their hair Fanquier, and for purposes in said deeds specirestored from white or gray (by reason of sick- fied, I shall offer at public sale, to the highest ness or age.) to original color and beauty, and bidder, on the 15th day of June next, at the Salem by all young persons who would have their hair Station, on the Manassas Gap Railroad, the folbeautiful and glossy. Very truly and grateful lowing property, viz: Three very desirable SOLOMON MANN. ly yours,

FRIEND WOOD:—It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order and LOTS well enclosed—two fine HORSES, upon your agent in Detroit, and when I got it and nine SLAVES, consisting of three men four the surest test of its power. It has done all valuable, and but one much advanced in age. that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use date, the purchaser to give bonds, with approved tion you claim for it. Again, very respectfully SOLOMON MANN. and truly, yours, CARLYLE, ILL., June 28, 1852 - I have used Prot. O J. WOOD'S HAIR RESTORATIVE, as is vested in me, by the deeds above referred
